IN THE SENATE OF THE UNITED STATES

JULY 19, 2007

Mrs. CLINTON (for herself, Mrs. BOXER, Mrs. FEINSTEIN, Mrs. MURRAY, and Mr. SCHUMER) introduced the following bill; which was read twice and referred to the Committee on Energy and Natural Resources

A BILL

To authorize the Secretary of the Interior to establish a commemorative trail in connection with the Women’s Rights National Historical Park to link properties that are historically and thematically associated with the struggle for women’s suffrage, and for other purposes.

1 *Be it enacted by the Senate and House of Representa-*
2 *tives of the United States of America in Congress assembled,*

3 **SECTION 1. SHORT TITLE; FINDINGS.**

4 (a) SHORT TITLE.—This Act may be cited as the
5 “National Women’s Rights History Project Act”.

6 (b) FINDINGS.—Congress finds the following:

1 (1) The women’s rights movement is one of the
 2 three great protest traditions in United States his-
 3 tory, sharing that status with the struggle for racial
 4 equality and the labor movement. These movements
 5 challenged Americans to consider the essential
 6 meaning of the Declaration of Independence: “that
 7 all men are created equal, that they are endowed by
 8 their Creator with certain inalienable Rights, that
 9 among these are Life, Liberty, and the pursuit of
 10 Happiness. That to secure these rights, Govern-
 11 ments are instituted among Men, deriving their just
 12 powers from the consent of the governed.”.

13 (2) New York State in the nineteenth century
 14 was at the cutting edge of these movements, includ-
 15 ing the womans’ rights movement. On July 19,
 16 1848, a group of activists including Elizabeth Cady
 17 Stanton, Lucretia Mott, Martha Wright, Jane Hunt,
 18 and Mary Ann M’Clintock, convened the first Wom-
 19 en’s Rights Convention at Wesleyan Chapel in Sen-
 20 eca Falls, New York. During the Convention, 68
 21 women and 32 men signed the Declaration of Senti-
 22 ments calling for a broad array of rights for women,
 23 including suffrage.

24 (3) Susan B. Anthony formed the Equal Rights
 25 Association, refuted ideas that women were inferior

1 to men, and fought for women's right to vote. She
2 also campaigned for the rights of women to own
3 property, to keep their own earnings, and to have
4 custody of their children. In 1900, she persuaded
5 the University of Rochester to admit women.

6 (4) In 1869, Elizabeth Cady Stanton, Susan B.
7 Anthony, Matilda Joslyn Gage, and others formed
8 the National Woman Suffrage Association, and Lucy
9 Stone, Henry Blackwell, and others formed the
10 American Woman Suffrage Association. In 1890,
11 these merged into the National American Woman
12 Suffrage Association. Through mass campaigns in-
13 volving thousands of women and men all across the
14 country, National American Woman Suffrage Asso-
15 ciation helped secure passage of the Nineteenth
16 amendment to the United States Constitution, offi-
17 cially certified on August 26, 1920, giving women
18 the right to vote.

19 (5) In the late 19th and early 20th centuries,
20 the women's movement expanded to play a critical
21 role in shaping policies on education, legal reform,
22 and economic and social welfare.
